## EMPOWERMENT PROGRAM

### KIDNEY DISEASE EDUCATION

#### Chronic Kidney Disease Basics

**Thursday, March 12, 2026 at 12:00pm - 12:45pm CT**

**VIRTUAL EVENT**

Kidney patients, care partners, family, and friends are encouraged to join us on World Kidney Day for an empowering and easy-to-understand program designed to support your kidney health journey.

#### PROGRAM HIGHLIGHTS

- Build a strong understanding of the basics of kidney disease
- Learn how kidney function is measured and monitored
- Discover what happens as kidney disease progresses, and what you can do about it

NATIONAL KIDNEY  
FOUNDATION.®
