Chapter 1	Section 010
General and Administrative Information	**Program Statement**

MISSION
The Missouri Kidney Program (MoKP) is a state funded program administered by the University of Missouri, School of Medicine, which provides financial assistance for eligible Missourians who have kidney failure and are on dialysis, or have received a kidney transplant. The program supports education and research, partners with dialysis centers and transplant centers statewide, and has expertise in health insurance for kidney disease, including Medicaid and Medicare.

GOALS
- Maintaining low administrative costs
- Expanding service to Missourians in greatest need
- Supporting educational experiences for CKD patients and providers
- Working with organizations committed to the prevention and treatment of kidney disease
- Striving for health literate communications

ACCESS TO THE MOKP DATABASE
Access to the MoKP Database will be provided to social workers and facility billers when requested. To make this request, please call or MoKP offices directly. A brief orientation can be provided on request. Access is limited to social workers and facility billers to keep participant information secure. The MoKP database can only be accessed with an USERID and password.

PAYER OF LAST RESORT
MoKP is a payer of last resort. When other assistance or coverage is available, those sources must be investigated and applied for. MoKP requires all applicants and current participants to apply for and maintain Medicare, MO HealthNet, Medicare Supplement programs (Medigap), and/or private/group insurance (including spousal employment) as applicable. In cases where an applicant is not eligible for Medicare and a Medicare supplement, Medicaid and/or does not have access to employer group health insurance, the applicant should apply for the ACA/Marketplace plan in their area.

Note: MoKP approval for any financial assistance is always contingent on continued availability of funds to MoKP.

General and Administrative Information	**Facility Agreement**

The Agreement between MoKP, through the Curators of the University of Missouri (a public corporation), and a participating facility, authorizes MoKP to reimburse for a stated purpose, for a specific period of time (July 1 through June 30 fiscal year) for pre-approved direct cost.

The Agreement (and any amendment) must be signed by an authorized individual from each facility. This Agreement states, in part, that:

- The University may terminate this agreement or require the reduction in the extent of services contracted to match the available funds.

- University and Missouri state auditors shall have access to all records pertaining to this agreement for audit or examination. Any audit exception is the sole responsibility of the contractor and shall be refunded as necessary by contractor after all legal and administrative remedies have been exhausted.

- Contractor agrees to furnish financial and final reports in compliance with MoKP requests, schedules and deadlines.

- Eligible Missouri residents will not be denied MoKP assistance under the Agreement due to the inability to pay in advance for said assistance.

- Either party may cancel the Agreement by giving a 30-day advance written notice.

Refer to Chapter 7 Forms and Examples; Section 020 to review a Facility Agreement - Example.

General and Administrative Information	**Monthly Voucher Process**

Facilities are reimbursed on a monthly basis for pre-approved expenditures incurred by MoKP participants. This process generally occurs the third Thursday of each month. The process is initiated by closing the facility access to the online billing system. Expenditures requested through the online billing system will be processed and a check generated the following Tuesday.

The Voucher by Patient Listing provides the facility with a list of specific patients for whom reimbursement was requested and reimbursed. The Voucher by Patient Listing is available through MoKP database.

INSTRUCTION ON HOW TO PRINT VOUCHER BY PATIENT LISTING:
You must have a USERID and password to access the Missouri Kidney Program database. Please see Chapter 1 General and Administrative Information; Section 010 on how to gain access to the Missouri Kidney Program Database.

Once in the MoKP Database, go to MoKP Reports, click on Voucher by Patient Listing located under Monthly Voucher Processing Reports. Select the desired facility.

This report is only available after the monthly voucher process has been finished and only until the database closes for the next monthly voucher process.

Refer to Chapter 7 Forms and Examples; Section 030 to review a Voucher by Patient Listing - Example.

General and Administration Information	**Audit/Fiscal Reviews**

MoKP reserves the right to perform facility audits to ensure reimbursements are compliant. A facility's failure to furnish, reveal and retain adequate documentation for services billed to MoKP may result in the recovery of the payments for those services not adequately documented and may result in termination.

The facility may be contacted by MoKP during the contract period to ensure that expenditures and records are in accordance with the contract guidelines.

For any refunds due MoKP as a result of an audit, the facility will have the opportunity to accept the findings or submit documentation showing why a refund should not be assessed.

All records must be retained at the facility for five years.

University and Missouri state auditors shall have access to all records pertaining to MoKP billings. All MoKP billings and/or reimbursements are subject to audit by University of Missouri-Columbia and MO state auditors.

Eligibility Criteria	**Residence and Citizenship**

To qualify for MoKP assistance, individuals must meet residence and citizenship requirements.

RESIDENCE AND CITIZENSHIP:
To qualify for assistance through the MoKP, an individual must be:

- A resident of the State of Missouri as defined by the Department of Social Services AND
- United States citizen or
- Alien in lawful permanent resident (LPR) status with five years of residency

Alien status requirements for MO HealthNet can be viewed in the Missouri Department of Social Services – Family Support Division – Income Maintenance Manual – Dec 73 Requirements – Section 1015.000.00 and will serve as a guideline regarding questions related to eligibility for MoKP assistance. You may review the requirements in their entirety at https://dss.mo.gov/fsd/iman/dec1973/ertoc.html

Qualified immigrants entering the U.S. on or after August 22, 1996, including Lawful Permanent Resident (LPR) are not eligible for MO HealthNet and therefore not eligible for MoKP for five years following their date of entry. Once the five-year period of ineligibility has expired, these qualified immigrants are then eligible. You may review the requirements pertaining to https://dss.mo.gov/fsd/iman/fmh/1805-000-00_1805-050-00.html

MO HealthNet's Income Maintenance Manual – Dec 73 Requirements in its entirety will serve as the final authority regarding questions of eligibility related to citizenship and/or residence. You may review the manual in its entirety at:

Chapter 2	Section 020
Eligibility Criteria	**MO HealthNet Requirements**

All MoKP applicants/participants must make application to MO HealthNet.

Fax or mail applications for MO HealthNet for Aged, Blind & Disabled (MHABD) should be sent to the Family Support Division (FSD) Eligibility Specialist located at MoKP. This will expedite the processing of the MHABD application.

Columbia, MO 65211

MHABD applications are available through the MoKP database or through the Department of Social Services website.

For persons with a new diagnosis of permanent ESRD, if disability has not been established by the Social Security Administration, attaching a copy of the completed CMS Form 2728 to a MO HealthNet application and disability packet will expedite establishment of disability by the MO HealthNet Medical Review Team (MRT).

Persons who are found eligible for MO HealthNet in the form of Continuous Medicaid, SLMB1 only, SLMB2 only, QMB only, or in the form of Spend Down not exceeding $2,000/month are eligible for MoKP based on income and asset requirements.

SPEND DOWN (LIMIT):
Spend Down maximum = $2,000/month.

The following participants must also disclose household income and assets in addition to maintaining MO HealthNet benefits:

MO HealthNet Blind Pension
MO HealthNet Spend Down cases over $2,000

Persons, who are found ineligible for MO HealthNet benefits due to not meeting disability requirements and/or the participant being over the asset/resources limit, will need to provide household income and asset information to MoKP to establish eligibility based on income and asset guidelines.

MoKP Facility Guidelines Manual
University of Missouri-Columbia

Chapter 2	Section 030
Eligibility Criteria	Other Requirements

ASSET GUIDELINES:
The asset limit for MoKP assistance is $15,000 (for the household) regardless of the number of dependents. Assets are defined as liquid assets; including but not limited to savings, investments, real estate that is not attached to the property the primary residence sits on, cash surrender value of life insurance policies, retirement accounts, 401K, etc. Do not include the applicant's home, personal possessions, burial plots or irrevocable burial contracts. NOTE: One (1) vehicle per driver in the home is allowed to be excluded in this calculation.

INCOME GUIDELINES:
For persons not eligible for MO HealthNet, eligibility will be based on the household income and assets. Please see Chapter 2 Section 035 for the MoKP Income/Assets Eligibility Chart.

MEDICAL ELIGIBILITY:
All participants must meet the following medical criteria on an ongoing basis in order to receive Missouri Kidney Program assistance:

- Stage 5 End Stage Renal Disease on dialysis; or
- Recipient of successful Kidney Transplant

MEDICARE:
All MoKP participants must have made application for Medicare Parts A and B. If Medicare is not active, the CMS Form 2728 is required with the MoKP application. If approved for Medicare, the participant must maintain active coverage for Medicare Parts A and B.

If Medicare closes due to no longer being deemed disabled, then the program will work with the participant to find alternate coverage.

If Medicare Part B closes due to non-payment of premiums, then the program will work with the participant to reapply for Part B during General Enrollment or using Medicare Savings Programs. Failure to maintain Part B insurance coverage may result in termination of assistance through MoKP.

MEDICARE PRESCRIPTION COVERAGE:
Medicare prescription coverage must be maintained to remain on the program. MoKP will send each participant on the Centralized Drug Program (CDP) a consent form before Open Enrollment every year. This consent form will authorize MoKP to enroll a participant into a Medicare Part D Plan appropriate to their needs. If a premium is required for a Medicare Part D Plan, MoKP will contact the participant prior to enrolling in the plan.

Chapter 2	Section 030
Eligibility Criteria	Other Requirements

PRIVATE/GROUP MEDICAL INSURANCE
MoKP participants/social worker should notify the program when coverage with any Private/Group Medical insurance changes including Employee Group Health Insurance, Medicare Supplements, etc. A creditable drug coverage letter is required when a private/group health insurance is active for a participant on the CDP.

Failure to maintain insurance coverage may result in termination of assistance through MoKP.

If a participant on the CDP no longer has Medicare and/or Medicaid and has access to a private/group health insurance, they should enroll in the available coverage. MoKP is payor of last resort.

MOKP PHARMACY USAGE
All MoKP formulary medications should be obtained through the MoKP contracted pharmacy to maintain assistance through the CDP. The MoKP medication formulary is located through the MoKP Database or through the public website. Many over-the-counter medications are included in the formulary and should be obtained through the MoKP CDP. Only controlled substances or short-term drug therapies should be obtained from a local pharmacy.

Chapter 2 Eligibility Criteria	Section 040 Reviews/ Renewals

ANNUAL REVIEWS
Annual reviews are conducted and approvals are extended in one-year increments providing MO HealthNet coverage is maintained appropriately and/or there are no significant income/asset changes. During the review, assistance program usage is reviewed. If the participant is not actively using the approved assistance, then coverage may be terminated. Income or MO HealthNet status changes may trigger a review to determine whether the participant continues to meet eligibility criteria.

Participant signatures will be required on the Participant Agreement and Medicare Part D Enrollment and/or Medicare Advantage Confirmation forms annually. These forms will be sent out every June/July with notification to the social worker listed for each participant.

AUTO RENEWAL
Active MoKP participants with one of the following categories of MO HealthNet assistance do not require an Annual Renewal Application Form to be completed, nor do they need to submit income and asset information.

- MHABD Non-Spend Down
- MHABD Spend Down under $2,000
- Ticket to Work Health Assurance (TWHA) Program
- SLMB or QMB

ANNUAL RENEWAL REQUIRING INCOME AND ASSET INFORMATION
Active MoKP participants without one of the categories listed above require annual evaluation of income and asset information.

Annually, the MoKP participants who do not qualify for Auto Renewal will be mailed a Renewal Application Form along with a letter containing instructions for completion. An example of the Renewal Application Form can be found in Chapter 7 Section 040. These participants will be required to complete and return to MoKP the annual Renewal Application Form and the requested documents including but not limited to; current household income, current household assets, and current insurance information. Facility social workers will receive copies of correspondence sent to participants regarding the update.

NOTE: *Approval by the MoKP Coordinator for financial assistance is always contingent on continued availability of funds.*

Application for MoKP Assistance	**Application Process Overview**

APPLICATION PROCESS

The dialysis and/or transplant social worker will submit an application for MoKP assistance through an online portal (available on the secure MoKP database). Applications will be reviewed by MoKP within 20 days of receipt. MoKP online applications are accessed through the MoKP Database. Please refer to Chapter 1 Section 1 on how to access the database. Examples of all application forms and documents are located in Chapter 7. The MoKP Participant Application can be completed through an online platform in the MoKP Database.

Applications will not be processed until all required information and documentation is received. The Participant Agreement Form (MoKP Form 107a) must be signed and submitted.

<u>Tips and tricks for completing the application:</u>

- If they differ, we need both the physical and mailing address for the participant.
- Number of dependents includes the applicant plus a spouse and children who live with them and/or anyone on the same federal income tax return if they file one. If they do not file a tax return, remember to still add family members who live with them.
- If the participant is receiving Blind Pension, income and asset documentation must be attached with the application.
- When applying for medication assistance, we need to know of all of the participant's insurance coverage. Attach all available cards – copies of both front and back.
- When listing the date of first dialysis, we need the first date of dialysis at the current facility.
- When applying for transportation reimbursement, the MoKP Transportation Form (MoKP Form 115) must be submitted.
- When applying for routine and/or immunosuppressant medication assistance, prescriptions must be submitted to Kilgore's Medical Pharmacy. These can be sent using the Prescription Order Form (MoKP Form 103) faxed directly to Kilgore's Medical Pharmacy at 573-443-4754. The prescriptions can also be e-scripted to Kilgore's.
- Do not fax the Prescription Order Form to MoKP offices.

Patient Assistance through Facility Reimbursement	**Overview Statement**

OVERVIEW STATEMENT:

Assistance through facility reimbursement is provided for eligible Missourians in the following forms: transportation reimbursement, private insurance premium reimbursement and immunosuppressive drug medication co-pays in cases where participants are required by their insurance provider to use a Specialty Pharmacy.

The following sections explain each type of reimbursement assistance and the process for application.

MoKP Facility Guidelines Manual
University of Missouri-Columbia

Chapter 4	Section 020
Patient Assistance through Facility Reimbursement	**Transportation Reimbursement**

Transportation assistance is available for the round-trip expense from the patient's home to the nearest dialysis clinic. For in-center hemodialysis patients this would be the round trip to the dialysis unit generally three days a week. For home and peritoneal dialysis, the transportation assistance would be for the two-to-three-week training period and then up to two days a month for clinic visits and/or lab work performed at the dialysis clinic. Other doctor office visits, transportation to and from the hospital, etc. are not covered.

MoKP will reimburse for the least expensive form of transportation appropriate for the patient, including but not limited to:

1. Mileage: Patient, family, friends, or community member drive patient to and from treatment—use Google Maps to determine the number of miles
2. Public Entity Transportation (Call-A-Ride, Share-A-Fare, City Bus Pass)
3. Vendor transportation

Please see Chapter 2 Eligibility Criteria to determine if a patient is eligible for Transportation Reimbursement.

MILEAGE AND PUBLIC TRANSPORTATION PROCESS:
An MoKP Application for Assistance must be submitted to request transportation assistance including the Transportation Form (MoKP Form 115). If the patient requires more than 14 dialysis trips per month, please note in the comment section the number of treatments the patient will have per month. A new request must be completed when there is a change in mode, cost, patient address or facility.

VENDOR TRANSPORTATION PROCESS:
An MoKP Application for Assistance must be submitted to request transportation assistance including the Transportation Form (MoKP Form 115). If requesting vendor reimbursement, two written vendor quotes are required. If the patient requires more than 14 dialysis trips per month, please note in the comment section the number of treatments the patient will have per month.

Vendor transportation requests will be reviewed by a committee made up of MoKP staff for the approval/denial process.

A new request must be completed when there is a change in mode, cost, patient address or facility. All approved vendor transportation will be reviewed every three to six months to confirm continued need.

Chapter 4	Section 020
Patient Assistance through Facility Reimbursement	**Transportation Reimbursement**

RECORDS RETENTION: MoKP requires original documentation be kept for five years for purposes of transportation verification. The Transportation Reimbursement Verification (MoKP Form 116) must be completed each month.

Please see Chapter 1 Section 030 for information regarding the Monthly Voucher Process and how to request reimbursement for transportation expenses.

MoKP reserves the right to alter the Transportation Policy including funding.

The level of transportation reimbursement assistance can change at any time due to changes in MoKP funding from the Missouri General Assembly.

MoKP Facility Guidelines Manual

University of Missouri-Columbia

Chapter 4	**Section 030**
Patient Assistance through Facility Reimbursement	**Private Premium Reimbursement**

MoKP offers reimbursement for employee group health plan and private insurance premiums (including ACA and Medicare Supplement Plans). Premium assistance is only offered to persons with kidney transplant and using the Centralized Drug Program.

When evaluating whether to provide the premium assistance, MoKP may consider not only the financial circumstances of the patient, but the cost savings that will accrue to MoKP. MoKP reserves the right not to reimburse for premiums when there is no cost savings to MoKP, or no net benefit to the patient.

Each transplant facility can decide whether they pay the insurance payments directly to the insurance company on behalf of the participants, or if the participant pays for their own premiums and receives reimbursement from the facility. MoKP will reimburse the facility after payment has been made to either the participant or the insurance company.

Facilities must retain copies of premium notices, payroll stubs showing premium payments, and/or canceled checks in the facility files.

All records and supporting documents must be kept for five years to meet MoKP audit requirements.

Chapter 5	Section 010
Centralized Drug Program (CDP)	**CDP Overview**

MoKP provides medication assistance through a contracted pharmacy, Kilgore's Medical Pharmacy. See Chapter 2 for eligibility requirements.

Benefits of using the Centralized Drug Program (CDP) include:

1. Medications on the MoKP formulary are dispensed at no cost to the participant. Medications not on the MoKP formulary can be dispensed, but at a cost to the participant. The MoKP formulary is located on the MoKP Database and the MoKP public website.
2. Medications can be mailed to the participant's home or to the participant's dialysis facility. If the participant wants medications to be sent to an address not their home, such as their dialysis facility, they must also complete Kilgore's Prescription Distribution Consent Form. Please see Chapter 7 for the form. Kilgore's Medical Pharmacy will determine the most appropriate delivery method.
3. MoKP staff will work with Kilgore's Medical Pharmacy to enroll participants in a Medicare Part D Prescription Drug Plans (PDP). Plans will be selected based on the participant's medications and cost evaluation.
4. Kilgore's Medical Pharmacy offers a SYNC program: The pharmacy calls the participant one time a month to refill medications and all medications are refilled at the same time. The program is convenient and encourages compliance.
5. In coordination with MoKP, Kilgore's Medical Pharmacy can only dispense a 30 day supply of medications

Please see Chapter 2 for Eligibility Requirements.

Please see Chapter 3 for instructions on how to complete the MoKP Application.

The Prescription Order Form (MoKP Form 103) and Consent for Medicare Part D PDP Enrollment (MoKP Form 117) must accompany the application when medication or immunosuppressant assistance is requested.

The prescription order form must be faxed to Kilgore's Medical Pharmacy at 573-443-4754.

The MoKP requires that participants approved for assistance through the CDP routinely use the contracted pharmacy for all of their MoKP Formulary medications. If the recipient is not using the CDP in a 90 day period, an email to the social worker and a letter to the participant is sent to determine notify them they may be terminated from the MoKP CDP for non-use.

Centralized Drug Program (CDP)	**CDP Formulary**

The Centralized Drug Program (CDP) formulary was developed by a group of physician advisors and approved by MoKP Advisory Council. The formulary is reviewed and revised as needed with assistance from advisory physicians and approved by the MoKP Advisory Council.

Requests for changes to the formulary must be in writing and submitted to the Director of MoKP.

The current formulary can be accessed on the MoKP public website at https://mokp.missouri.edu/public/missouri%20kidney%20program.html

You may sort the formulary in one of two ways:

1. Category
2. Drug Name

Chapter 5	Section 030
Centralized Drug Program (CDP)	Payor of Last Resort

PAYER OF LAST RESORT:
Please see Chapter 2 Section 030 for information regarding coordination of benefits. MoKP is a payer of last resort. MoKP will pay for medication copays on formulary medications only after all other payers have been billed.

Some insurance plans require the use of a specialty pharmacy. In these cases, the MoKP contract pharmacy cannot dispense medication and the participant cannot be approved for CDP Immunosuppressants.

LETTER OF CREDITABLE DRUG COVERAGE:
MoKP requires a copy of a "Creditable Coverage" letter every year when the participant is approved for the CDP.

Each employer who offers an employee group health plan is required to annually issue a letter to all of their employees stating whether or not their insurance is deemed "creditable". Coverage is "creditable" if the coverage equals or exceeds the drug coverage under Medicare Part D. The letter should also state whether or not the employee's health care insurance will change, be terminated, increase in premium cost, or have no impact if the participant would decide to enroll in a Medicare Part D plan.

Chapter 6	Section 010
Transplant Assistance Reimbursement	**Transplant Assistance**

Kidney Transplant recipients or kidney donors may be eligible for financial assistance to help defray out-of-pocket living expenses associated with transplantation. The recipient MUST be a current MoKP participant enrolled in other types of MoKP assistance. The kidney transplant recipient MUST be a resident of Missouri; however, the kidney donor does NOT have to reside in Missouri.

GUIDELINES FOR ASSISTANCE:

- Transplant assistance requests can be made FOR up to $500 per transplant recipient and/or donor.
- All requests will be considered on a case-by-case basis by the MoKP Director.
- Dental and/or other medical expenses directly or indirectly related to the transplant are not covered.
- Assistance can be requested for non-medical transplant expenses incurred up to six months after the surgery.

PROCEDURE TO APPLY:

1. The MoKP contracted transplant facility social worker (or other staff member) must submit a written request to the MoKP Director the need. Example: lost wages while recuperating from donation of kidney, lodging expenses post-transplant to remain close to the facility, child care when adults at facility post-surgery, rent and utilities while on sick leave, travel expenses, etc. See sample letter.
2. The MoKP contracted transplant facility staff member making the request will be notified in writing of the outcome of the request. MoKP will reimburse the MoKP contracted transplant facility only after the transplant has occurred.
3. Once the facility has made payment to the recipient and/or donor, then verification of the payment should be sent to MoKP offices for reimbursement.
4. MoKP offices will send the reimbursement recipient a letter explaining the program benefit along with an opportunity to provide a gratitude response.

FACILITY AGREEMENT Facility Number: «FACNO»

THIS AGREEMENT is entered into as of the first day of July, «ThisYear» between THE CURATORS OF THE UNIVERSITY OF MISSOURI, a public corporation of the State of Missouri (University) for Missouri Kidney Program (MoKP), and **«FULLNAME»**, a transplant/dialysis facility serving End-Stage Renal Disease (ESRD) patients of the State of Missouri (Contractor).

University, for the use of MoKP, received an appropriation from the General Assembly for support of renal disease in a statewide program. Reimbursement for pre-approved direct costs (Transportation Assistance, Premiums, Immunosuppressant Drug Co-Pays, and Transplant Assistance) will be disbursed monthly.

The parties have entered into this Agreement for the accomplishment of the Award, which has been determined to be within the purpose indicated by the above-mentioned appropriation, and agree as follows:

1. For the consideration hereafter set forth, Contractor agrees to provide the necessary personnel, facilities, related resources and skills to perform and accomplish the Award in accordance with the Award Assistance Guidelines (Appendix I).

2. Commencing July 1, «ThisYear» and continuing through June 30, «NextYear», Contractor shall perform the work called for in the Award Assistance Guidelines (Appendix I). At the end of the current term, this Facility Agreement will renew annually unless either party gives 30 days notice of termination as required by paragraph 14 below.

3. During the period of performance set forth above, as reimbursement for pre-approved direct costs under the terms of this Agreement, University agrees to pay Contractor an amount

agreed upon by the parties for pre-approved direct costs. Payments will be made upon receipt of approved electronic submission of expenses submitted by Contractor to University and received by University if submitted by monthly voucher close date. Contractor further agrees and understands that the funds from which University will make these payments are derived from appropriated state funds, and in the event University should not receive these funds or a portion of, for whatever reason, University may terminate this Agreement or require the reduction in the extent of services contracted hereunder to match the available funds.

4. Contractor agrees that any line item variation from the MoKP Facility Award Assistance Guidelines, which is attached hereto and incorporated by reference as Appendix I, must be approved in advance in writing by the MoKP for University.

5. Contractor agrees that, for the purpose of audit or examination, University and governmental auditors and representatives shall have access at any reasonable time to any of the books, documents, papers and records of Contractor recording receipts and disbursements of any of the funds made available to Contractor under this Agreement. Contractor further agrees that any audit exception noted by governmental auditors or University auditors or representatives shall be refunded to University as necessary by Contractor and shall be the sole responsibility of Contractor after exhaustion of all administrative and legal remedies.

6. Contractor agrees that all funds received under this Agreement will be held and used by Contractor for the purposes billed and reimbursed for, and none of the funds so held or received shall be diverted to any other use or purpose.

7. Contractor agrees to abide by and comply with the policies and procedures outlined in the MoKP Facility Guidelines Manual and any amendments thereto which may be issued during the performance of this Agreement.

8. Contractor agrees not to deny MoKP assistance under this Agreement to Missouri residents due to the resident's inability to pay.

9. Contractor understands and agrees that University is responsible for the administration of this Award and agrees to comply with all requests and directives which may be given by University in the implementation or accomplishment of the Award.

10. Contractor agrees to furnish financial and final reports to University through MoKP in compliance with requests, schedules and deadlines for such reports and information.

11. Contractor agrees that this Award will be directed by

_____ (Single Point of Contact),

_____ (Social Worker),

_____, (Administrator)

and Contractor will not substitute any other person as Single Point of Contact without securing written permission of University in advance. Contractor further agrees that its Single Point of Contact is the person to whom all official notices and requests relating to the performance of this Agreement should be addressed.

12. Contractor agrees that copies of any publications relating to the MoKP are to be furnished to University for the MoKP within a reasonable time prior to publication or distribution for review and approval.

13. The parties mutually agree that any clause or provision required by law, rule or regulation to be inserted herein shall be deemed to be incorporated herein by reference as though fully set forth and shall constitute a part of this Agreement, and that this Agreement may be amended in writing, on the application of either party to insert any such required provision.

14. The parties mutually agree that either party may terminate this Agreement by giving thirty (30) days advance written notice of intent to terminate to the other party, or the MoKP may implement reduction as stated in paragraph 3 above.

15. The parties mutually agree that this Agreement shall be binding upon and inure to the benefits of the parties hereto and their successors and assigns, but neither party may assign this Agreement without advance written consent of the other.

16. Contractor attests that it has the proper authority to do business in the State of Missouri.

17. This Agreement shall be governed by the laws of the State of Missouri. The parties have caused this Agreement to be executed by their duly authorized representatives as of the first day of July, «ThisYear».

18. The University serves from time to time as a Contractor for the United States government. Accordingly, the provider of goods and/or services (Contractor) shall comply with federal laws, rules and regulations applicable to subcontractors of government contracts including those relating to equal employment opportunity and affirmative action in the employment of minorities (Executive Order 11246), women (Executive Order 11375), persons with disabilities (29 USC 706) and Executive Order 11758, and certain veterans (38 USC 4212 -formerly [2012]) contracting with business concerns with small disadvantaged business concerns (Publication L. 95-
